

## Chez moi – Unit Summary

### Intermediate

#### Aim of Unit:

In this unit the children will learn how to:

- Say whether they live in a house or an apartment and say where it is.
- Repeat, recognise and attempt to spell up to ten nouns (including the correct article for each) for the rooms of the house in French.
- Tell somebody in French what rooms they **have** or **do not have** in their home.
- Ask somebody else in French what rooms they have in their home.
- Attempt to create a longer spoken or written passage in French recycling previously learnt language (incorporating personal details such as their name and age).

#### Learning Objectives by the end of the unit:

##### Level 1

- I can say whether I live in a house or an apartment but find it hard to remember this at times. I may need to hear the model answer first.
- I can say and write where my house or apartment is if I can hear the examples first and work from a model.
- I can repeat and recognise all ten rooms of the house with their correct gender in French I can possibly even spell these words, but I will need to work with a word and/or picture bank in front of me.
- I can ask somebody what rooms they have or do not have in their house and also answer this question back if I hear an example first. I find formulating the negative option more challenging.
- I can attempt to integrate this new language into previously learnt language and say and write a longer passage incorporating some of my personal details, but I will find this more of a challenge. I will need assistance and a model answer first.

##### Level 2

- I can say and write whether I live in a house or an apartment with high accuracy.
- I can say and write where my house or apartment is after I have heard the options.
- I can repeat and recognise most of the ten rooms of the house with their correct gender in French. I can possibly spell over half of these words unaided from memory with good accuracy.
- I can ask somebody what rooms they have or do not have in their home and also answer this question in return, including use of the negative if I have time to work out what I want to say and see an example first to remind me.

### Level 3

- I can say and write whether I live in a house or an apartment.
- I can say and write where my house or apartment is based using the choices given.
- I can repeat and recognise all ten rooms of the house with their gender in French. I can possibly even spell all these words unaided with good accuracy.
- I can ask somebody what rooms they have or do not have in their home and also answer this question back from memory including a negative reply.
- I can integrate this new language into previously learnt language and say and write a longer passage about my home plus incorporating some of my personal details.
