

Dear families,

Re: Science Week

24th February 2023

Year 6 have been invited to Millfield on **Wednesday 15th March**, for an afternoon with Longleat Safari Park. During this session, the children will have the opportunity to encounter live animals, and build on their previous learning about animal adaptations.

Due to the cost of coaches, we are not able to provide transport for this session, therefore you will need to arrange both drop off and collection of your child.

This session will run from 2pm – 3pm. In order to get the maximum from this session, we have been asked to arrive at the main carpark on Butleigh road, Millfield campus by 1.45pm where Mrs B will be waiting for them.

Following this session, you can collect your child from the main car park at 3pm, where Mrs B will be waiting with them.

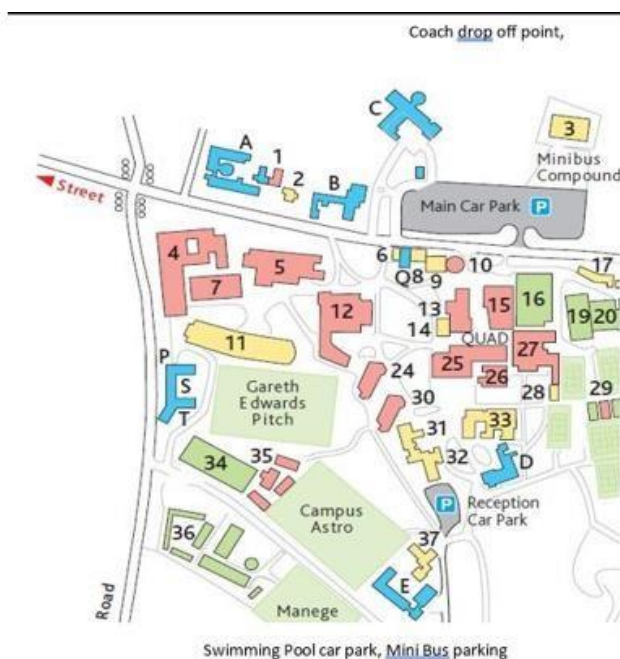

Please complete this form:
