Dear Parent/Guardian,

Devon & Somerset Fire & Rescue Service – Key Stage 1 - school visit - Opt out request

Devon and Somerset Fire and Rescue Service will be attending your child’s school to talk to pupils about Fire Safety and Prevention and answer any questions pupils may have.

The session we deliver will cover:

- the ways the Fire Service can help us
- the dangers of smoke and importance of smoke alarms
- who the other emergency services are and the number to dial in an emergency
- why you should never play with matches and lighters
- the feelings you have if a situation feels unsafe and know who to tell
- what to do if your clothes catch fire

Whilst Devon and Somerset Fire and Rescue Service would value the opportunity to engage with all pupils in the year group, we understand that some parents/guardians/carers may wish to withdraw their child from these sessions. If this is the case, please complete the slip below and return to our child’s teacher.

Yours sincerely,

Devon & Somerset Fire & Rescue Service - Education & School Engagement Team
