

CATCOTT PRIMARY SCHOOL

Manor Road, Catcott, Bridgwater, Somerset TA7 9HD

Dear families,

BIKEABILITY Cycle Training Level 1 & 2

We have arranged a cycle training course, in conjunction with Somerset Road Safety, to take place in this school during (dates 11th-12th January, group 1; 16th-17th January, group 2.)

The Bikeability course has been designed to give the next generation the skills and confidence to ride their bikes on today's roads. It will introduce them to cycling as an everyday activity, an alternative mode of transport, which brings a healthier lifestyle. We consider cycle training to be an important life skill and would encourage you to enrol your child on this course.

Pupils must be able to **ride and control a bicycle** to take part in the course. The course consists of several sessions, including work in the classroom, practical manoeuvres conducted in the playground, followed by on road manoeuvres.

Pupils will need a **ROADWORTHY** bicycle, helmet and suitable clothing and footwear for use on this course for **all** sessions.

It is very important that any medical/physical abilities are listed on the following page.

Please complete the details on the form below as soon as possible to secure a place for your child on the course and return to the school office by 16th December to register your child for this course.
