

Dear Families,

9<sup>th</sup> September 2022

Yesterday we all heard the very sad news that the Queen has passed away.

All of us within the Catcott family have only ever known one head of state. Queen Elizabeth was an extraordinary woman who lived an incredible life. No matter how you view the monarchy, we are all aware of how respected the Queen was. She was a lady who loved her country and had such a strong work ethic right up until her final days. Our Queen will always be remembered for being kind, courteous and incredibly loyal to all countries within her kingdom.

Today in school we have held an assembly to reflect on her life, and understand the importance of this moment in history. The Queen has had such a positive impact on our country and the teachers will be reflecting on this in class today. She was a brilliant example for all of us; staff, parents and children.

If you want to explore her life further, you can visit: [The Royal Family](#)

God Bless the Queen and God Save the King.

Yours sincerely,

*Laura Constanza*
