Scarecrows

Reception

A pirate was the obvious choice for our scarecrow because Reception have been reading *The Troll* by Julia Donaldson and a ship has turned up in class which Rainbow has set sail on. The children all really enjoyed getting stuck into scarecrow making!

Year 1

Year 1 decided to make a 'magical' scarecrow which could really 'scare' the crows away! First they chose some spooky clothes. Next they decided that wellies would be suitable footwear for the garden. Finally, they drew a scary face and added a magic wand. They had lots of fun and made a wonderful mess in the classroom!

Year 2

We arrived back from swimming and decided to build our scarecrow. Mrs Kennedy and Mrs Burrows helped the children to get into groups to build each section. The children worked well together, drawing the face, stuffing the shirt and trousers, making the hair and the hat. Then we put each section together. The children then voted on a name, so please let us introduce you to Jamie, year 2's scarecrow.

Year 3

Year 3 have decided to make a scarecrow inspired by their recent learning about the author, Roald Dahl. They chose to make one of their favourite story characters, the BFG! They worked hard as a team to make each part of the scarecrow and were very proud of how it turned out in the end.

Year 4

Our scarecrow represents our learning from last term. He is a Roman soldier who came over to Britain to take over the Celts. He was part of Claudius Army, who invaded Britain in 43AD.

Year 5

Year 5 have been learning about Ancient Greece and so decided to make Ares God of War and Spirit of Battle. The class were split into groups, and each group was responsible for a different section of the scarecrow and we were really impressed with their hard work and determination. Thank you to Mr Chilcott for making the shield.

Year 6

In Year 6, we have been studying crime and punishment. Therefore, we decided to make a prisoner locked in stocks for our scarecrow with rotten tomatoes ready for throwing!

Our scarecrows were judged by members of the CVA, and they were very pleased to announce the winner in our assembly this morning.

Congratulations Year 6!

Forest School

In forest school this week, Year 3 were working on creating a more appealing, sensory space around the nest area. They worked in small groups to plant lovely smelling herbs into tyres and then painted their tyres to make the space colourful and inviting. They had to work as a team in their groups to deal with challenges such as carrying and decanting very heavy bags of compost into their tyres. They did an excellent job with this and worked hard to clear up after and leave everything as they had found it. After this, they all earned a toasted marshmallow by the fire!
