OPAL

Our OPAL provision is continuing to grow. The stage has been well used over the last few weeks with Year 5 children putting on shows for everyone to watch. They have written scripts and given out tickets and we have enjoyed listening to the songs from Frozen!

Last week we introduced some team building games which ks1 were really excited to have a go at. They were using excellent thinking skills and perseverance to solve the type tower challenge and using team work and cooperation to solve the guttering problem!

Our Nest is developing nicely as well and now has a mud kitchen and digging pit set up which the children are using every day!

Thank you to everyone for continuing to support our OPAL journey!

Year 6 Forest School Session

We had a brilliant morning yesterday in our first (and unfortunately, last) Forest School session. We spent the morning being really creative and leaving our mark on our newly improved Forest School area- The Nest- by painting the fences in any way we liked. We had ladybird themes, UK flags, pianos, rainbows, weather themes and so much more! We then finished off the morning by toasting marshmallows on the fire.
