

Whole School Attendance Figures

17th – 21st April

95.10% Attendance

The attendance rate was 94.5% across all schools in the week commencing 20th March. At Catcott, our attendance was 93.22% which makes us below the national average.

Catcott News

Version 27 – 24th April 2023

Welcome Back to the Summer Term!

Can you believe we are into our last term already? We have so many exciting things to look forward to this term;

Year 2 trip to Fleet Air Museum

Year 4 trip to Caerleon Roman Fortress and Baths

Sports Day

Year 6 residential to Pinkery

Year 5 residential to Kilve

King Coronation Celebrations

Sharing Assemblies for each Year

Plus, many more exciting summer events... (watch this space!)

We also have some new families who have joined us this term, so we would like to welcome them all to Catcott.

Staff News

Congratulations to Miss Shortland and Mrs Brogden who are both expecting! We are all very excited for them and wish them all the best with their pregnancies.

House Points

Earth Day

Wow! What an amazing day we all had; I hope Earth Day is something we can celebrate every year. It was wonderful to see everyone working together to tidy up the school site.

We achieved so much, hopefully I haven't missed anything....

- Welly sheds

Each year group now has somewhere to store their wellies on the playground, we no longer have to worry about smelly socks in the corridors!

- Water wall

A group of children persevered all afternoon to build our waterwall, it looks fab, problem solving and team work were the name of the game.

- Picnic tables

We now have a lovely picnic area on the field, hopefully the sunshine will join us soon and we can make the most of lunches outdoors.

- The nest

What a turnaround, the old forest school area has been cleared, decluttered and tidied.

Reception:

The youngest children took on their mission with gusto, counting how many pieces of rubbish they had, sweeping, cleaning, emptying and tidying.

The children left school today tired, happy, muddy and with plenty of memories made. Thank you to all staff and children for making this all possible.

Non-screen activities you can do at home

Our earth is very special. These activities will help you reflect on how we can make it a better place.

<p>1 Imagine you're a reporter. Can you write a news report from today? What is the major event you will write about?</p>	<p>2 Interview someone in your family about the world today, what will you ask? Write down their answers.</p> 	<p>3 Plant a seed! Plants can save the earth! Can you plant a tree that will last for years?</p> 	<p>4 Clean up your patch of earth. Go out for a walk in your area, collect litter that has been dropped and put in the bin. Don't forget a pair of gloves and a rubbish bag.</p>	<p>5 Quiz time! Can you think of ten questions about the earth today? Try them out on someone! How many can they answer correctly?</p>
<p>6 What does the earth look and feel like today? Can you write a short description? Include what you like and don't like.</p>	<p>7 Hello me! Write a letter to yourself to open in 20 years time.</p> 	<p>8 Investigate! How are we harming the earth at the moment? How can we change that? Write down what you discover.</p>	<p>9 Write a poem, song or rap to remind people to look after the earth. Perhaps the title could be 'pollution solution'.</p> 	<p>10 What would it be like to time travel? Write a story about it! Which year will you travel to? What does the earth look like then?</p>
<p>11 Wild art! Collect things from the garden and make a piece of art. A picture or sculpture from twigs or leaves, or something else.</p>	<p>12 Upcycle! Use items from your recycling to make something cool. A model, a piece of art or something else.</p> 	<p>13 Write a diary entry of a memorable day from this year. Make sure you include how it made you feel.</p> 	<p>14 Should we celebrate Earth Day every year? Or should every day be Earth Day? Debate and discuss with someone you know.</p>	<p>15 Ask a friend or family member to write a letter to you. Keep it safe and re-read it in years to come.</p> 
<p>16 Draw, paint or make a model of what you think the earth will look like in 20 years time.</p> 	<p>17 Take charge! Can you be in charge of recycling in your house?</p> 	<p>18 Favourite things. What are they at the moment? Write a list. How much do you think they will change over time?</p>	<p>19 Draw a self-portrait. What do you look like now?</p> 	<p>20 Be thankful. Write a list or draw a picture of all the things you're thankful for on Earth right now.</p> 
<p>21 Start a scrapbook. Collect things from this year to include in it. Photos, newspaper clippings, tickets. What else could you include?</p> 	<p>22 Going for goals. Write a list of your goals for the future. What do you hope to achieve?</p> 	<p>23 Eco-warrior! Create a list of the rooms in your house and monitor how often the lights are used. Can you save electricity in any of them?</p>	<p>24 Design and make a poster of all the ways we can look after the earth.</p> 	<p>25 Make a time capsule. You could include all of the things you produce from these activities. What else? Hide it away and don't open it for years to come.</p>
