Catcott News

Version 26 – 31st March 2023

Dear Families,

How have we reached the end of another term already! It has been another whirlwind of a term and now we can all enjoy the Easter break. I would like to thank you all once again for the support you give us, this term has been an absolute pleasure.

Where did the time go....

- We started the term with Parent's evening which was very well attended.
- House meetings happened in week one, the children planned how they wanted to celebrate 'Earth Day'. They have planned rambles, earth art and bracelet making.
- OPAL play is up and running, wellies, water and den building are the order of the day.
- World Book Day took us by storm and the book fair was a huge success.
- We all worked with Serena Del a Hey to create willow domes on the field.
- Science week was an absolute success with visits from teachers, nurses, dentists and even the animals of Longleat!
- Year 1 visited Noah's Ark to learn about animals in their habitats.
- Year 6 had SATs and Pinkery information evening.
- Reception have been out and about this term, buying ingredients for Gingerbread men and posting letters to the Big, Bad Wolf!
- Year 2 and 5 were visited by new-born lambs as part of their life cycles work.
- Year 5 and 6 visited London this week, see the photos in this letter to find out what they explored whilst they were there.

Have a wonderful break and we will see you all in the Summer term.

Year 5 Trip To London

“

I really enjoyed the volcano and earthquake exhibit- It was great seeing Pompeii which we learnt about last year.

- Libby

”

“

The whale in the Natural History Museum was massive- it was mind blowing!

- Lian

”

“

I really enjoyed the volcano and earthquake floor- we got to experience the feeling of a really earthquake!

- Lottie

”

“

It was the best trip I've ever been on!

- Dylan

”

“

I really enjoyed travelling up the escalator through the planet model!

- Darcey

”

Year 5 and 6 had a very early start as we set off for London at 7am. We arrived at the Natural History Museum at 10.30 and Year 5 headed in to explore while Year 6 continued their journey to The Tower of London.

Year 5 then jumped back in the coach and headed to the British Museum to see the Benin Kingdom exhibit. It was fantastic to see so many of the artefacts we had discussed in our Benin History topic.

We then started the long journey home!

All the children were brilliantly behaved- we were so proud of them all!

Year 6 Trip To London

“
I liked seeing the Crown jewels, some of them are being prepared for the coronation.

- Olivia

”

“
I liked learning about executions that happened at the tower and the twins in the tower.

- Zoe

”

“
I loved hearing stories about who escaped from the Tower (for a while!) and those who didn't.

- Lottie

”

“
I liked seeing the torture machines, manacles, wracks and the scavengers daughter!

- Tyler

”

“
We learnt about laws including heresy.

- Jacob

”

Year 6 had a fantastic time at the Tower of London.

We went and saw the Crown Jewels and explored the armouries in the White Tower.

We also had a crime and punishment workshop where we learned about: who was imprisoned at the tower; the conditions they lived in, which turned out to be quite good actually; and we heard different escape stories. A costumed presenter recounted exciting stories from the Tower's dark history, whilst we explored some of the historic spaces originally used to hold prisoners.

Year 2 and Year 5 – Lambs Visit

On Thursday, Year 2 and Year 5 were lucky enough to have a visit from Tracy Phillips (Alice and Toms mum!) who introduced us to their lambs. The children loved having cuddles with them and being able to feed the lambs. A huge thank you to Tracy for arranging this!
