

CATCOTT PRIMARY SCHOOL

Manor Road, Catcott, Bridgwater, Somerset TA7 9HD

Dear Families,

11th September 2023

Year 3 will be visiting Lyme Regis Museum for an educational visit relating to our science topic on Thursday 12th October 2023. This trip has been kindly funded by the PTA, so there is no cost to parents. We will be leaving school at 9am and returning in time for the end of the normal school day at 3:30pm. During the day, we will be discovering the amazing fossils of the Jurassic Coast and exploring the beaches of Lyme Regis. We will learn about: how fossils form, Mary Anning's life and key discoveries and the geology of the Jurassic Coast. Our day will include an introductory talk in the museum, fossil handling and beach fossil hunt. Pupils will also find fossils on the beach to take back to school.

All children need to come dressed in their school uniform, but are able to wear suitable footwear for the weather. Please ensure they also bring:

- A packed lunch and snack
- A refillable bottle of water
- A rain coat

Please complete the form to give permission for your child to attend the trip.
