Open Afternoon

It's been another busy week here at school. It was lovely to see so many of you for our first open event of the year. We hope to repeat this throughout the year, giving you the opportunity to see what your children are enjoying at school.

New Young Leaders

We are delighted to announce that both our House Captains and School Councillors have recently taken up their posts. We were all very impressed with the applications for both roles and we look forward to working with them this year.

Wellies

Please can we ensure all children have named wellies in school so they can play on the field at lunch times.

The Stork is coming...

We would like to wish Miss Shortland and Mrs Brogden the best of luck as they start their maternity leaves. We would also like to thank them both for supporting us all through these first few weeks. Miss Shortland has been supporting the Reception and Year One class, whilst Mrs Kennedy has been away, and Mrs Brogden has been working with our new teacher Miss Innalls in the Year 3 class.

Good luck to you both.

Flood Update

The drying process has continued this week; Somerset County have appointed their building team to project manage this project. They will be carrying out initial surveys this week. We will continue to update you as we know more.

PTA Update

The PTA have lots of lovely events planned for this year, the first being the annual Halloween Disco which is set to be Spooktacular!

There is a PTA meeting at The King William Pub on Wednesday 27th September at 7.30pm- all are welcome.

Eco Logical

In the Summer term, KS2 worked with Will James at Eco Logical to create a new school banner from recycled materials. The children thoroughly enjoyed this. This week, Will kindly brought the finished piece to school, it is fantastic. Thank you to all who were involved.
