

Dear families,

6<sup>th</sup> October 2023

**RE: Flood Update**

I am writing to inform you of the work that will be starting next week in relation to the flood in our Year 3 and 4 block.

From Tuesday 10<sup>th</sup> October, a portion of our front playground will be sectioned off to contain a skip and storage unit. Following this, ongoing work will be carried out to restore the two classrooms to their original state. While we currently have no definite timeframes for the work, we are pleased that the restoration process has begun to help relieve some of the space constraints we are currently experiencing.

**Pick up arrangements:**

Year 4 will be brought up on to the playground at the end of the day, rather than being able to be collected from the classroom as usual. All other end of day arrangements should be able to remain the same.

Thank you for your support and patience regarding this matter.

Hannah Lintern
