## HELLO TO YOU ALL

Welcome to the first TLE newsletter of 2024! The team here at TLE hope you all had an amazing Christmas and New Year.

We would like to thank all of those who came to the Christmas Active Camps last month, they were incredible! We have had great feedback from them and ways we could improve. We can't wait to share the next Active Camps with you in February half term.

Let's have a fantastic 2024!

### Meet the team **Callum Smalley**

We start off the new year with introducing you with Callum. Callum joined the team last year over the summer, and is a Sports coach within four of our schools. When Callum isn't busy working, he's playing football or going to the gym.

### Focus Program – Road 2 Paris

We are here to encourage children to take part in the activities that are at the Olympics and Paralympics.

This day is jam-packed full of fun and exercise. The children get the chance to explore what it is like to be a paralympian and an Olympian from the comfort of their school playgrounds.

You will receive a fully-qualified coach, or two for the day and have a variety of activities to be a part of.

The feedback from previous years is that the children get a lot from the day, and leave invigorated to try new sports that they maybe wouldn't have thought of before.
