

## Outdoor Learning Updates – Opal Play

There was great excitement this week when our new climbing wall arrived. The children (and some adults) were eager to give it a go. Wellies on and climbing we all went.

Children worked together supporting each other to go up and over.  
Team work and smiles all round.

Keep a look out over the coming weeks for the next items to be added to our outdoor trail.

## Forest School – Wilderness Warriors

In Forest School this week, Year 2 learnt about how hedgehogs are becoming endangered and what we can do to help them.

We created our own nature art, making hedgehogs from pinecones and clay and we worked as a team to build a hedgehog house using bricks and dry leaves.

We can't wait to see if we get any visitors!
