Congratulations to Goldfinches who have won the Muffy day this half term!

Cricket

We have been loving our Wednesday cricket lessons this half term thanks to the Somerset Cricket Foundation. We are looking forward to our cricket tournament next week!

OPAL

We have been really loving our outdoor space in the sun! The new sports at lunchtime have been a big hit and we are enjoying our new areas!

Mud Café- this space is beginning to take shape and we are loving getting muddy and creative each lunchtime.

How can you help? If you have any old pots, pans, cake tins, spoons or other kitchen utensils that you are willing to donate we would love to add them to our growing collection!

Music area- this area has also been a big hit and we are composing some fantastic tunes!

How can you help? Any old pots/ pans, bin lids, kegs or old music instruments that we could add to this space would be greatly appreciated!

Stage- This space has had a bit of a make over and we are enjoying putting on shows. We also love the dressing up clothes that have been donated.

How can you help? We are looking for more open ended role play dress up items such as scarves, cloaks, hats and bags.

Water area- we are having great fun in the water area and working together to solve problems and make the water flow through different channels.

How you can help? If you have any spare guttering, jugs, funnels or watering cans we would be very grateful!

Summer Fete

Please do let us know if you are able to volunteer, and/or have a gazebo that we can borrow!
