Dear Families,

Welcome to the Autumn term! We're excited to dive into the new school year, with classes already buzzing with activity and enthusiasm.

The children have quickly engaged with their curriculum, starting with the inspiring book *How to Be a Lion* by Ed Vere. This story, centred on gentleness, the power of words, and the importance of self-expression, encourages students to think independently and stand up for who they are. As the book beautifully puts it:

"Let nobody say just one way is true. There are so many ways that you can be you."

New Starters

Our youngest students have settled into their new routines with ease, and we're thrilled with their smooth transition into school life. We've also welcomed 14 new children to our school community this September and look forward to watching them grow and thrive.

Young Leaders

This week, our students cast their votes for the new House Captains and School Councillors. You can find out who the representatives are by checking Class Dojo. A big thank you to everyone who applied for these roles—your efforts were truly impressive. We're excited to work with our young leaders this year as we continue our journey of school improvement, guided by the most important voices of all: theirs.

Wraparound Care

Thank you for your feedback on our wraparound care. Starting this term, TLE will oversee the breakfast and after-school clubs. To book a place, please visit their website here: [Event Search | TLE Sports Coaching \(coordinate.cloud\)](#)
