We Are All Unique

Dear Families,

As part of Children's Mental Health Week, we are celebrating all the things that make us unique! In this morning's assembly, we explored the meaning of 'unique' and discovered some fascinating hidden talents among our staff and children.

Did you know we have...

- **3 beekeepers**
- **2 dairy farmers**
- **A life saver**
- **An artist**
- **And a trombone player?**

Both children and staff were eager to share their talents, and we discussed ways to celebrate them. As a result, we are creating a special display showcasing our unique gifts, talents, and hobbies—and we'd love your help!

If you have a photo of your child or family doing something unique, please email it to the school office with the subject line '**We Are All Unique**'. Be sure to include a brief explanation to accompany your picture.

We are excited to celebrate everything that makes us special, no matter how big or small, please share your uniqueness with us!

Thank you for your support.

Signed.

A handwritten signature in black ink that reads "Laura Constanza".
