

# CATCOTT PRIMARY SCHOOL

Manor Road, Catcott, Bridgwater, Somerset TA7 9HD

2<sup>nd</sup> October 2025

Dear Families,

We are excited to share that Year 5 and 6 has been given a fantastic opportunity to take part in a hands-on heart dissection session, delivered in collaboration with Millfield School.

This practical experience will support our science topic: *Animals Including Humans*, helping students to deepen their understanding of the structure and function of the heart in a memorable and engaging way.

The session will take place on **Wednesday 12th November in the afternoon.**

While we encourage all students to participate, we completely understand that some children may feel uncomfortable due to the nature of the activity. If your child does **not** wish to take part, please let **Mrs Brogden or Mrs Berkley** know in advance so that alternative arrangements can be made.

Thank you for your continued support. We look forward to an exciting and educational afternoon!

Kind regards,  
Mrs Brogden
