Lesson 1: Introduce artists	How do artists use a sequence of imagery to tell a story?	To explore the work of artists who tell stories through imagery.	Pupils will explore the work of two artists who create illustrations that tell stories. Pupils will respond to their work through verbal discussion in class as	I have explored the work of artists who tell stories through imagery. Lesson 2: Drawing warm up	How can I create an image that tells a story?	To use toys, poetry, and my own text to create a richly illustrated narrative in a single drawing.	Pupils will use toys, poetry, and their own text to create richly illustrated narratives contained within a single drawing. Pupils will juxtapose objects to create their still life scenes from which they will work. Pupils will explore the materials charcoal, chalk, compressed charcoal pencil, and eraser to make their drawings.	I can use a sketchbook to generate ideas about how I might respond to a piece of poetry or prose. I can use line, shape, and colour using a variety of materials to text my ideas. Lesson 3 & 4 & 5: Illustrate a narrative	How can I make a sequence of images that describe a narrative?	To create a finished piece which contains sequenced images to describe a narrative.	Pupils will explore how they can build and share a story through a series of images. They will work from evocative literature or poetry to create either a concertina or a poetry comic. Pupils will have lots of opportunity to explore different materials such as charcoal,	I can use line, shape, and colour using a variety of materials to text my ideas. Lesson 6: Share, reflect, discuss	How can I reflect on my work?	To display the work made through the half term and reflect on the outcomes.	Pupils will display their work in a clear space and reflect on the half term, sharing what they like and what they would like to try again through peer discussion.	<p>I can share my work with others and talk about my journey and outcome. I can listen to their feedback and take it on board.</p> <p>I can appreciate the work of my classmates and think about the similarities and differences between our work.</p> <p>I can share my feedback on their work.</p>	Present, Share, Reflect, Respond, Articulate, Feedback, Crit, Similarities, Differences,	That when we reflect on our own work and the work of others, we think about what we are good at and what we might do differently next time.
