

Wednesday 28th February 2026

Dear Families,

Throughout the year, the children take part in a range of exciting Art and Design & Technology (DT) projects. These activities allow them to explore, experiment, design, craft, and evaluate a variety of creative techniques, with skills developing progressively across the year groups. The children always take great pride in their work and thoroughly enjoy sharing their creations with others.

For our Art project, we would like to invite the families of children to work alongside their child in the classroom (maximum of two adults per child) on: **Thursday 12th February**
Families of children in Years 1 & 2 - 9:30am to 10.30am
Families of children in Years 3-6 - 9.30am – 12 noon

If you have more than one child in the school, you are very welcome to move freely between classrooms to spend time with each of them. Every class throughout the school will be taking part in this special morning.

There will be a further four opportunities across the year for you to join us for similar Art and DT sessions:

- **Thursday 26th March (morning)** – DT focus
- **Thursday 21st May (morning)** – Art focus
- **Thursday 9th July (morning)** – DT focus

We will finish the year with a whole-school **Art Exhibition on Friday 17th July**, where children will showcase a selection of their artwork and projects. Further details about this event will be shared closer to the time.

If you would like to join us for our Art project morning on **Thursday 12th February**, please click the link below to confirm your attendance:

Thank you for your continued support. We look forward to welcoming you into school for this creative and collaborative morning!

Kind regards,

Hannah Lintern
Deputy Headteacher
