

Wednesday 18th March 2026

Dear Families,

Saving the Planet Week – W/c 20th April 2026

During the week starting 20th April 2026, we will be focusing on activities and assemblies based on saving the planet.

Earth Day – Wednesday 22nd April

On Wednesday 22nd April, we will be taking part in Earth Day. This is aimed at developing the children's understanding of the environment they live in and their understanding of sustainability. Throughout the day, the children will be taking part in various activities, investigating our local area and how sustainable we are as a school. It should be a very exciting and interesting day! For earth day, the children will need to come to school in forest school clothing and with a pair of wellies or a spare pair of shoes which can get muddy and are comfortable.

Rags to Riches Collection – 22nd and 23rd April

On Wednesday 22nd and Thursday 23rd April we invite families to donate good quality clothing items for collection by Rags to Riches. We do receive money for the donations so please do support us where you can. The collection will be made by the company at 9am on Friday 24th April so please do not bring donations after this point.

Muffi day – for the William Parkinson Living Laboratory – Friday 24th April

All children are welcome to come to school in mufti in exchange for a £1 donation to the William Parkinson Laboratory. William Parkinson was a past student of ours who passed away unexpectedly in January. The family have now created a legacy set up in his name in association with The Thousand Year Trust - the only charity in the UK dedicated to the restoration of our temperate rainforest landscapes. The work of The Thousand Year Trust aligns with William's deep love of the natural world, his passion for Cornish wildlife and his respect for scientific innovation. Located in the Cabilla Valley on Bodmin Moor.

Many thanks

Hannah Lintern
Deputy Headteacher

CATCOTT PRIMARY SCHOOL
